ARE you "fed up" with seeing the huskies walk off with the best of everything? Sick and tired of being soft, frail, skinny or fatty - only HALF ALIVE? I know just how you feel. Because I myself was once a puny 91-pound "runt." And I was so ashamed of my scrawny frame that I dreamed being seen in a swim suit.

The Secret of How I Got My Build

Then I discovered a wonderful way to develop my body fast. It worked wonders for me - changed me from the scrawny "runt" I was at 37, into "The World's Most Perfectly Developed Man." And I can build up YOUR body the very same natural way - without weights, springs or pulleys. Only 15 minutes a day of pleasant practice - in the privacy of your room.

MURDER IN THE MIRROR

There are a variety of customs throughout the world that take place at the death of a person. Those who attend the funeral come to pay their last respects to the deceased. In the home of that person, the pictures may be covered with black. Especially if there is a portrait of the deceased. And mirrors also are covered up. Why? What is the origin of this custom?

It has been said that a lot of people in the past - and even in today's world - believe that when a ~~person~~ dies in a room, his spirit is still around. And that the likeness of himself represented in a portrait on the wall, might capture this spirit. Also that the mirror might get the reflection of the spirit. Is this nonsense? Or is it true?

You don't have to believe my experience. Because there were no witnesses around when it took place. But, then again, if it didn't happen, you will have to figure out another explanation to what I am going to relate to you. My name is Julius Nadder. I do the Sunday special features for our newspaper. It may be on anything from a group going horseback riding to finding a lost child. I was interested in what could have happened to Frank Thayer.

Call him an eccentric rich old man and leave it at that. He owned a large stone mansion on the top of Ridge Hill. He had only one heir - Donald Thayer. Who lived there with his wife, Elsie. The old man had a hobby concerning cars. He would like to attend car races. And also exhibitions of old cars. It was known in the community that he would go away unexpectedly. Get into his car and drive to wherever his whim would direct him. Stay away for three or four days. He had retired from active participation in his business affairs. He owned the local bank, the local department store, a chain of gas stations, and a dozen apartment houses. When he would return he would generally call me on the phone at the newspaper and tell me he had a good story for me. He did not return from the trip he had begun on June 7, 1971. At the end of two weeks a missing person bulletin was sent to various police and other law enforcement agencies. By the end of the month it was agreed he must have met with foul play. Donald Thayer told me how he and his wife had watched him leave the garage in his

car. Full of joy and he had said to them:

"When I come back I will have a big surprise for the two of you."

I received a message from a newspaper syndicate. To do a story on the missing millionaire. I went to see Donald Thayer and he said it was a good idea. Might help to locate his uncle. I was left alone in the studio of the old man. And there was a big mirror on the wall. Suddenly it seemed as though my eyes were clouding. And on the mirror I saw a full length picture of Frank Thayer. The picture-image-ghost-spirit, or whatever you want to call it, pointed a finger at me.

"Only you can see and hear me," it began. "The two of them killed me. My own nephew and his wife. I was going to disinherit them. My nephew had the combination of my wall safe. And was stealing money from me to pay gambling debts. There is a secret passage down to a tunnel. This tunnel leads to a large stone room. There you will find my body. And also the car. The tunnel leads to the old carriage room on my estate. They drove my car there and then into the tunnel. Turn the knob three times next to the wall light. It will open a panel. Same kind of knob in the carriage house. Not now. Come back at midnight alone."

And then it vanished. I saw him - and I heard him! I left the house. And at midnight I followed instructions. And down in the tunnel I found the car. And a stone box that I opened. Inside a large plastic bag was the body of the missing millionaire. What to do? I returned to my home. The next evening I went to see our Sheriff, Jim Garson. Told him I had a clue. But he was to ask no questions. And follow me. He agreed and we went back to that old mansion. Down into the large stone room.

"I can't believe it," he almost sobbed. "So they killed him and figured it was a perfect crime."

They were arrested and confessed to the murder. The Sheriff gave me all the credit for breaking the case. But, you see, I really don't deserve the credit at all. It should go to the dead man who somehow came back in that mirror to get me to see that the killers were caught and punished.

PARTNERS!

A MUTUAL GREED FOR GOLD BROUGHT MAX AARENS AND HENRY FARR TOGETHER...INTO THE TRACKLESS WASTES OF NORTHERN CANADA WHERE THEY HUNTED THE ELUSIVE METAL, CERTAIN THEY'D STRIKE IT RICH BEFORE THE IRON HAND OF WINTER PARALYZED THE ENTIRE LAND!

IT'S SOLID GOLD, HENRY! WE FINALLY STRUCK IT RICH!

YES, MAX...BUT IT'S THE END OF SEPTEMBER...IF WE DELAY TO DIG MORE GOLD, WE'LL BE SNOWED IN...

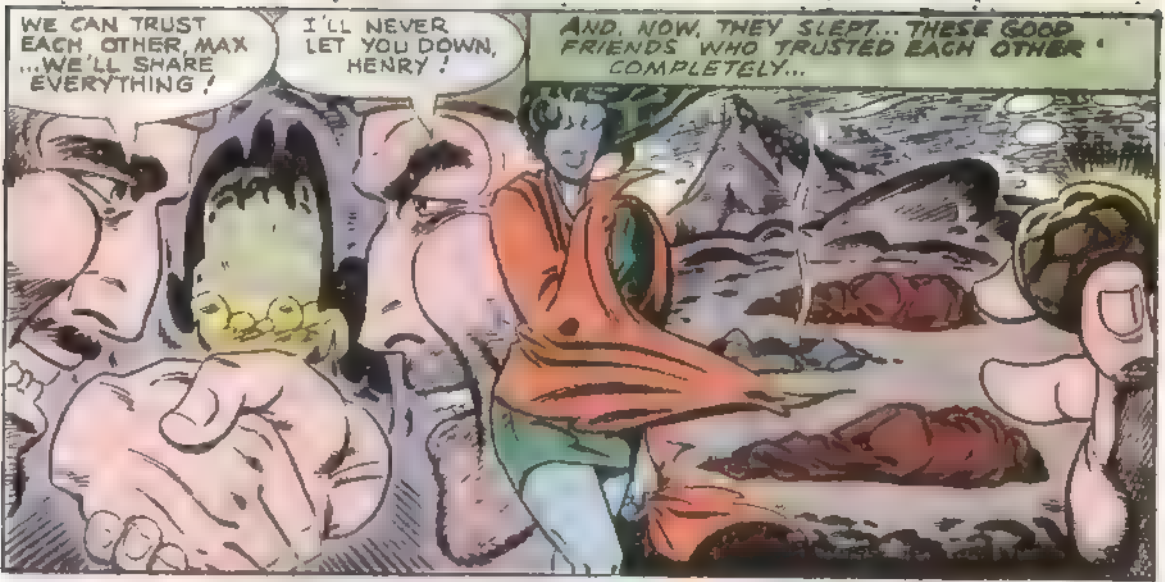

D-3409

..BAROMETER IS DROPPING AS A MASSIVE COLD FRONT MOVES ACROSS CANADA FROM THE POLAR ICE CAP! SNOW...

MAX, WE'LL START SOUTH AT DAWN!

SURE! THE GOLD WILL STILL BE HERE IN THE SPRING WHEN THE ICE GOES OUT!

SNOW! WE'RE GOING TO GET AHEAD!

WE CAN TRUST EACH OTHER, MAX... WE'LL SHARE EVERYTHING!

I'LL NEVER LET YOU DOWN, HENRY!

AND, NOW, THEY SLEPT... THESE GOOD FRIENDS WHO TRUSTED EACH OTHER COMPLETELY...

THE FOOL! DOES HE THINK I'M GOING TO TRUST HIM WITH MY GOLD?

IF I DON'T KILL HIM, HE'LL TRY TO KILL ME!

I'VE BEEN EXPECTING YOU, MAX!

SO, HENRY FARR DISSOLVED THEIR PARTNERSHIP. THE HARD WAY!

HENRY HAD THE MAP...HE CAREFULLY MARKED THE LOCATION OF THE GOLD, THEN TIDIED UP THEIR LAST CAMPSITE...

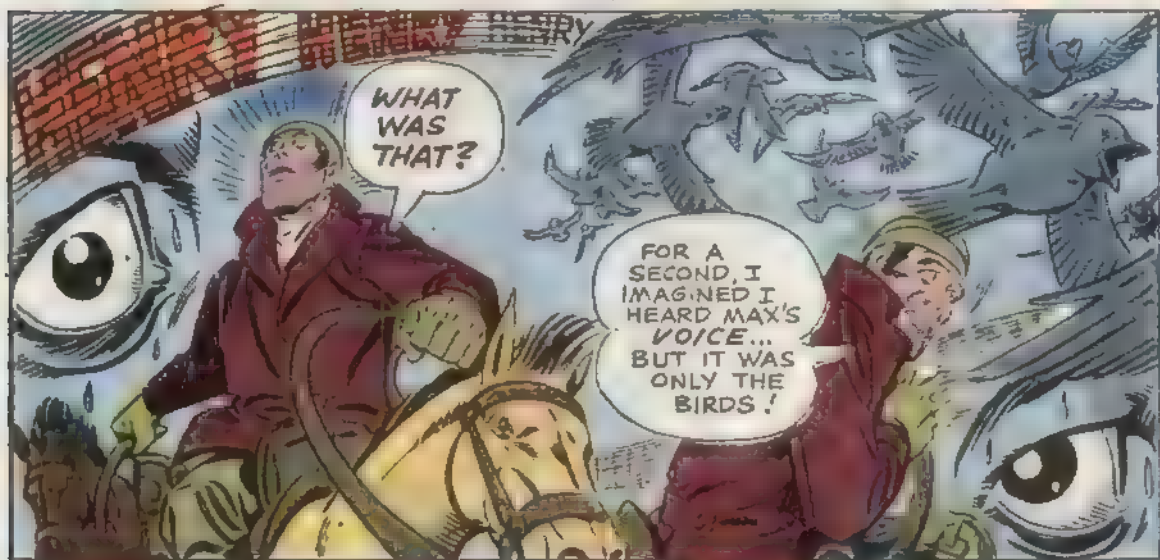

I'LL COME BACK IN THE SPRING...

I DIDN'T REALIZE HOW LONELY IT WOULD BE WITHOUT MAX...EVEN THOUGH HE WAS A FOOL, I COULD TALK TO HIM!

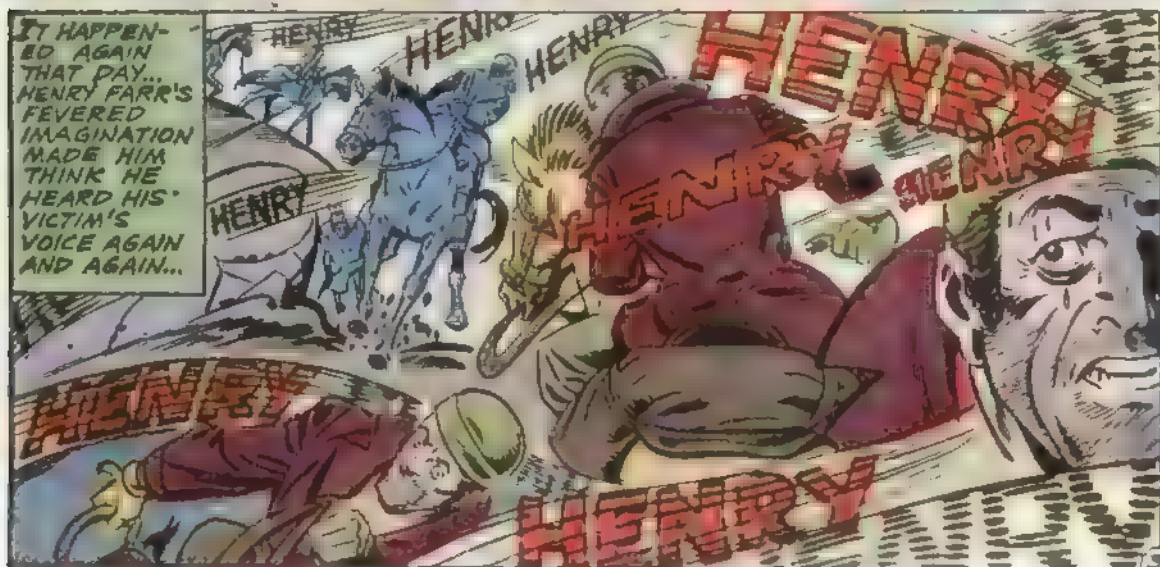

WHAT WAS THAT?

FOR A SECOND, I IMAGINED I HEARD MAX'S VOICE... BUT IT WAS ONLY THE BIRDS!

IT HAPPENED AGAIN THAT DAY... HENRY FARR'S FEVERED IMAGINATION MADE HIM THINK HE HEARD HIS VICTIM'S VOICE AGAIN AND AGAIN...

An Important Message To Every Man And Woman In America Losing His Or Her Hair

If you are troubled by thinning hair, dandruff, itchy scalp, if you fear approaching baldness, read the rest of this statement carefully. It may mean the difference to you between moving your hair and losing the rest of it to eventual baldness.

Baldness is simply a matter of subtraction. When the number of new hairs fail to equal the number of falling hair, you end up minus your head of hair (bald). Why not avoid baldness by preventing unnecessary loss of hair? Why not turn the tide of battle on your head by eliminating needless causes of hair loss and give Nature a chance to grow more hair for you? Many of the country's dermatologists and other foremost hair and scalp specialists believe that seborrhea, a common scalp disorder, causes hair loss. What is seborrhea? It is a bacterial infection of the scalp that can eventually cause permanent damage to the hair follicles. Its visible evidence is "thinning" hair. Its end result is baldness. Its symptoms are dry, itchy scalp, dandruff, oily hair, head scales, and progressive hair loss.

So, if you are beginning to notice that your forehead is getting larger, beginning to notice that there is too much hair on your comb, beginning to be worried about the dry-

ness of your hair, the itchy scalp, the ugly dandruff — these are Nature's Red Flags warning you of impending baldness. Even if you have been losing your hair for some time, don't let seborrhea rob you of the rest of your hair.

HOW COMATE WORKS ON YOUR SCALP

The development of an amazing new hair and scalp medicine called Comate is specifically designed to control seborrhea and stop the hair loss it causes. It offers the opportunity to thousands of men and women losing their hair to bacterial infection to reverse the battle they are now losing on their scalps. By stopping this impediment to normal hair growth, new hairs can grow as Nature intended.

This is how Comate works: (1) It combines in a single scalp treatment the essential corrective factors for normal hair growth. By its rubefacient action it stimulates blood circulation to the scalp, thereby supplying more nutrition to still-alive hair follicles. (2) As a highly effective antiseptic, Comate kills on contact the seborrhea-causing scalp bacteria believed to be a cause of baldness. (3) By its

keratolitic action it dissolves ugly dandruff. By tending to normalize the lubrication of the hair shaft it corrects excessively dry and oily hair. It eliminates head scales and scalp itch.

In short, Comate offers you in a single treatment the best that modern medicine has developed for the preservation of your hair. There is no excuse today except ignorance for any man or woman to neglect seborrhea and pay the penalty of hair loss.

COMATE IS UNCONDITIONALLY GUARANTEED

To you we offer this UNCONDITIONAL GUARANTEE. Treat your scalp to Comate in your own home, following the simple directions. See for yourself in your own mirror how after a few treatments, Comate makes your hair look thicker and alive. How Comate ends your dandruff, stops your scalp itch. How Comate gives your hair a chance to grow. Most men and women report results after the first treatment, some take longer. But we say this to you. If, for any reason, you are not completely satisfied with the improvement in your own case — AT ANY TIME — return the unused portion for a prompt refund. No questions asked.

But don't delay. For the sake of your hair, order Comate today. Nothing — not even Comate — can grow hair from dead follicles. Fill out the coupon now, and take the first step toward a good head of hair again.

Male pattern baldness is the cause of the great majority of cases of baldness and excessive hair loss. In such cases neither the Comate treatment nor any other treatment is effective.
